

## Management Control Agreement

Pursuant to the CJIS Security Policy, it is agreed that with respect to administration of that portion of computer systems and network infrastructure interfacing directly or indirectly with the state network (SLED CJIS) for the interstate exchange of criminal history/criminal justice information, the Greenville Hospital Systems Public Safety shall have the authority, via managed control, to set, maintain, and enforce:

- (1) Priorities.
- (2) Standards for the selection, supervision, and termination of personnel access to Criminal Justice Information (CJI).
- (3) Policy governing operation of justice systems, computers, access devices, circuits, hubs, routers, firewalls, and any other components, including encryption, that comprise and support a telecommunications network and related criminal justice systems to include but not limited to criminal history record/criminal justice information, insofar as the equipment is used to process or transmit criminal justice systems information guaranteeing the priority, integrity, and availability of service needed by the criminal justice community.
- (4) Restriction of unauthorized personnel from access or use of equipment accessing the State network.
- (5) Compliance with all rules and regulations of the Greenville Hospital Systems Public Safety Policies and CJIS Security Policy in the operation of all information received.

“...management control of the criminal justice function remains solely with the Criminal Justice Agency.” Section 5.1.1.4

This agreement covers the overall supervision of all Greenville Hospital Systems Public Safety systems, applications, equipment, systems design, programming, and operational procedures associated with the development, implementation, and maintenance of any Greenville Hospital Systems Public Safety system to include NCIC Programs that may be subsequently designed and/or implemented within the Greenville Hospital Systems Public Safety.
